

ReGeneration 50 photographes de demain : 2005 – 2025

Une exposition et une publication du Musée de l'Elysée (23 juin – 23 octobre 2005)

En été 2005, le Musée de l'Elysée commémore son 20^e anniversaire avec une exposition d'envergure internationale sur les photographes les plus prometteurs d'aujourd'hui, issus des meilleures écoles d'art et de photographie du monde.

Pour ce faire, le Musée de l'Elysée a organisé un concours international ouvert aux photographes des écoles d'art et de photographie. A partir des dossiers envoyés par les écoles, 50 photographes ont été sélectionnés qui présenteront leur travail dans l'exposition *ReGeneration*, qui aura lieu à Lausanne au Musée de l'Elysée et à l'Espace Arlaud entre le 23 juin et le 23 octobre 2005. Les éditions Thames & Hudson (Londres / Paris / New York / Sydney) publieront un livre à cette occasion.

ReGeneration 50 Photographers of Tomorrow : 2005 – 2025

An exhibition and publication project by the Musée de l'Elysée (June 23 - October 23, 2005)

In the summer of 2005, the Musée of Elysée will celebrate its 20th anniversary with an international exhibition presenting a selection of the most promising young photographers of today, having emerged, or soon-to-be-emerging, from the best art/photography/communications schools in the world.

The Musée de l'Elysée has decided to work with the best photography/art/communications/media schools around the world, asking each to submit work from their best and most promising students. A selection of the most remarkable fifty young photographers has been made by the curatorial team of the museum. The exhibition *ReGeneration* will be held in Lausanne at the Musée de l'Elysée and at the Musée Arlaud from June 23 to October 23, 2005. A book of the same name will be published by the prestigious fine-art publishing house Thames & Hudson (New York, London, Paris and Sydney).
